MTS hereby acknowledges and agrees that it shall keep the details of the Participant anonymous when distributing Market Data and that MTS shall only be permitted to use such Participant Data in a manner and format where it is not possible to identify the Participant.
- 11.6 The Participant agrees that (i) it may be identified by name as a "MTS Participant" in press releases regarding MTS, (ii) the Participant's name and logo may be used for the purposes of identifying the Participant as a MTS Participant on the MTS website (www.mtsmarkets.com) and in MTS marketing brochures and presentational materials subject to the Participant's approval of the use of its name and logo. MTS shall not change the manner in which it uses the Participant's name and/or logo without the prior written approval of the Participant, such approval not to be unreasonably withheld or delayed. Except in the circumstances contemplated above, MTS shall not, without the prior written consent of the Participant in each instance, (i) use in advertising, publicity or otherwise the name of the Participant nor any trade name, trade mark, trade device, service mark, symbol or any abbreviation, contraction or simulation thereof owned by the Participant or any of its affiliates, or (ii) represent, directly or indirectly, that any product or any service provided by MTS in connection with MTS has been approved or endorsed by the Participant or any of its affiliates.

12. Fees

- 12.1 For the supply of the Service the Participant shall pay MTS the fees set out in the Fee Schedule attached to these Terms and Conditions in the amounts, within the time and in the manner specified therein.
- 12.2 Without prejudice to Clause 14 below, and unless stated otherwise in the Fee Schedule, all fees are payable by the Participant within 30 days of the date of MTS's invoice, and time of payment shall be of the essence. MTS may add interest on overdue payments before and after any judgment at HSBC Bank plc base rate (as varied from time to time) plus three per cent, calculated on a daily basis from the due date to the date of payment, such interest to be compounded at the end

of each calendar month or, if lower, the maximum rate permitted under Applicable Law.

- 12.3 Without prejudice to the right to file a separate action for money, the Participant may not raise any objections, even in the event of interruptions or suspensions in the supply of the Service, aimed at avoiding or delaying payment of the fees due. Any invoice queries including, without limitation, any request by the Participant for repayment of overpaid amounts must be made within three months of the end of the month to which the relevant invoice relates. The Participant shall not be entitled to query an invoice and/or claim repayment of any overpaid amounts after this period.
- 12.4 The Participant shall remain subject to the obligation to pay any amounts applied in accordance with the Rules or these Terms and Conditions. The payment of amounts shall not preclude the possibility for MTS to demand strict performance and/or claim compensation of damages for any additional loss actually suffered.

13. Term and Termination

- 13.1 This Membership Documentation shall be for an indefinite term until terminated in accordance with this Clause 13 or as otherwise provided in the Membership Documentation.
- 13.2 Either Party shall have the right to terminate the Membership Documentation at any time by sending the other Party a written notice, pursuant to paragraph 8.3 above, indicating the effective date of termination; the notice must arrive at least 90 (ninety) calendar days before such date. Termination shall not exonerate the Participant from performing the relevant obligations undertaken under the Membership Documentation or even indirectly deriving from the use of the Service.
- 13.3 By way of derogation from paragraph 13.2 above:
 - a) in case of amendments referred to in paragraph 9 above and subject to paragraphs 13.3(b) and 15.2 below, the Participant may terminate the Membership Documentation in the manner specified in paragraph 8.3 above by giving MTS notice to terminate (with effect from the effective date of the relevant amendments) within the time established by MTS in the communication containing the text of the amendments referred to in paragraph 9.2 above. In case of amendments made pursuant to paragraph 9.3 above, the advance notice of termination may be communicated up to 1.00 p.m. on the trading day for MTS preceding the effective date of the amendment; and/or
 - b) in the case of assignment, novation or other transfer and/or related amendment pursuant to paragraph 15.2 below, the Participant may terminate the Membership Documentation in the manner specified in paragraph 8.3 above by giving MTS notice to terminate (with effect from the effective date of such assignment, novation or other transfer) within the time established

by MTS in the communication notifying the Participant of the relevant assignment, novation or other transfer and/or related amendment (as applicable) pursuant to paragraph 15.2 below.

Except as expressly provided in paragraph 13.6 below, the Participant shall not be entitled to any compensation or indemnity for any costs, losses, expenses or other liability (or the loss or reduction of any benefit) directly or indirectly arising from (and MTS shall not be liable to pay any penalty or indemnity as a result of) the Participant's termination of the Membership Documentation pursuant to either limb of this paragraph 13.3 (notwithstanding that the right to terminate is triggered by an act of MTS).

- 13.4 In all the cases of termination referred to in paragraph 13.3 above, provided that the termination becomes effective before the application of the amendments or assignment, novation or other transfer it is based on, the contractual conditions previously in force shall continue to apply to the Participant.
- 13.5 If the termination notice is received after the expiration of the time limits specified in the preceding paragraph, then the termination shall not take effect unless MTS waives the time limit established in its favour. These Terms and Conditions may specify cases in which termination is not effective at the time provided in the withdrawal notice.
- 13.6 In the event that:
- a) the Participant terminates the Membership Documentation in accordance with paragraph 13.3(a) above and the amendment which is the cause of such termination is a material amendment; or
 - b) the Participant terminates the Membership Documentation in accordance with paragraph 13.3(b) above but only if the Membership Documentation will be amended by MTS with effect from the effective date of the assignment, novation or other transfer which is the cause of such termination and such amendment is a material amendment,

MTS will refund to the Participant on a pro-rata basis the proportion of the annual membership fees paid by the Participant for the period from the effective date of termination onwards. For the purposes of this paragraph 13.6 a material amendment shall include but not be limited to: any material reduction in MTS's liabilities or responsibilities under Membership Documentation or any material changes to the Fee Schedule. The Parties agree that any dispute as to whether an amendment is material shall be resolved in accordance with Clauses 17 and 18 below.

14. Additional Termination Clause

- 14.1 The Membership Documentation shall be understood to be terminated without the need of any further action by MTS in the following events:

 - c) the Services are substantially transformed, or the relevant MTS Market is closed, as a consequence of legislative or administrative measures adopted by the competent authorities, or by a decision of MTS the performance of the Service ceases or becomes illegal. In the case of such a decision by MTS, MTS shall use reasonable endeavours to give the Participant at least 5 Working Days' notice in advance of such termination;
 - d) a petition is filed, a notice is given, a resolution is passed, or an order is made, for or in connection with the winding up of the Participant.
- 14.2 Either Party may terminate the Membership Documentation forthwith by giving the other Party written notice if that other Party:
- a) makes a UK voluntary arrangement with its creditors (or a similar procedure under any other Applicable Law) or becomes subject to an administration order;
 - b) has a receiver appointed over any of its property or assets, or an encumbrancer takes possession of any of its property or assets;
 - c) goes into liquidation or is voluntarily wound up;
 - d) takes or is subject to any action similar to that specified in this paragraph 14.2 from (a) to (c) inclusive in any jurisdiction; or

- 14.3 MTS may terminate the Membership Documentation forthwith by giving the Participant written notice in the event of the Participant failing to pay the fees within the prescribed time limits for more than 90 (ninety) calendar days.

15. General Provisions

- 15.2 Save as provided in this paragraph 15.2, the Membership Documentation and/or the rights and obligations thereunder or deriving therefrom may not be assigned, novated or otherwise transferred by either Party to any third party. MTS may assign, novate or otherwise transfer the Membership Documentation and/or any or all its rights and/or obligations thereunder or deriving therefrom or to any other

company or other entity (with separate legal personality) which in either case (regardless of its jurisdiction of origin, incorporation or residence) is a direct or indirect subsidiary undertaking (as defined in section 1161 of the UK Companies Act 2006) of the company ultimately controlling, directly or indirectly EuroMTS Limited. Should this be the case, MTS shall give the Participant not less than six months' advance notice, and shall specify in such notice the period within which the Participant may give notice (in accordance with paragraph 13.3(b) above) to terminate the Membership Documentation. If MTS wishes to amend the Membership Documentation with effect from the effective date of such assignment, novation or other transfer, it shall notify the Participants of such amendments (pursuant to paragraph 8.3 above) not later than the date 30 days before the effective date of the assignment, novation or other transfer and the provisions of paragraph 9 above will apply in relation to such amendments except that (i) the period of notice required for such amendments shall be as set out in this paragraph 15.2 and (ii) the Participant's right to terminate arises under paragraph 13.3(b) and not under paragraph 13.3(a). By entering into the Membership Documentation, the Participant consents to any assignment, novation or other transfer by MTS in accordance with this paragraph 15.2 and irrevocably and unconditionally waives any and all rights which it might otherwise have to require such assignment, novation or other transfer to be subject to any further consent from the Participant.

- 15.3** MTS and the Participant acknowledge and agree that any notice of assignment, novation or other transfer, and/or related amendment, given pursuant to paragraph 15.2 above may provide for such assignment, novation or other transfer and/or related amendment to be dependent upon one or more conditions and that any requirement for a minimum period of notice for such assignment, novation, transfer and/or related amendment will be met if the notice of assignment, novation, transfer or related amendment (as appropriate) is received (or deemed to be received) as required by paragraph 15.2 above, even if one or more of those conditions is only satisfied in the course of the minimum notice period required for such notice pursuant to paragraph 15.2.
- 15.4** In the event of the merger or acquisition of the Participant with another company or the transfer of the business segment comprising the Service, the Participant undertakes to give MTS at least 30 (thirty) calendar days' advance notice of the effective date of the merger or transfer. The Participant shall remain liable – and likewise the company merging through incorporation, the company resulting from the merger or the transferee – for any delay in giving such advance notice to MTS, including without limitation the case in which such delay leads to MTS having to suspend the Participant, the company merging through incorporation, the company resulting from the merger or the transferee, as the case may be, for the time needed for the performance of the tasks for which it is competent. The new company may have to submit a new application and undergo a new membership process if so decided by MTS.
- 15.5** The omitted or late exercise of one or more of the rights pertaining to a Party under the Membership Documentation shall not be construed as a waiver of such right by the Party in question.

- 15.6 Clauses 4.1(k), 7, 11, 12, 15.7, 16, 17 and 18 shall survive the termination of these Terms and Conditions or the Membership Documentation.
- 15.7 A person who is not a party to the Membership Documentation shall have no rights under the UK Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

- 16.4 In the event of any breach of any of the undertakings set out in this Clause 16, without prejudice to Clause 13 above, the Participant may terminate this agreement immediately upon giving notice in writing to MTS.
