ABOUT MTS

MTS is a leading operator of regulated electronic fixed income platforms for European rates, money markets, and now swaps, supporting daily transaction volumes of more than €160 billion.

For over 35 years, MTS has supported the European fixed income market through regulated electronic markets in Europe and beyond, bringing traders together to unlock liquidity, maximise trading opportunities, and optimise post-trade processes.

As a one-stop shop, MTS' cutting-edge trading solutions and market data meet the ever-changing requirements of rates, money markets, and swaps participants across the buy- and sell-side, and support a wide range of instruments, order types, and access methods.

MTS is part of the Euronext Group, the leading pan-European market infrastructure provider, and our clients benefit from synergies with Euronext's diverse product offering and geographical coverage.

ABOUT Wematch

Wematch helps financial institutions tackle some of their biggest challenges including automation, cost, API integration, productivity, compliance, and conduct risks. The award-winning digitally native platform enables the matching of interest on financing structures, optimises workflow around trades, and drives more efficient communications internally and externally. With Wematch buy- and sell-side firms can connect to nearly 1,000 dealers and 90 institutions to better exchange pre-execution, negotiation, and post-trade transaction data.
