MTS Belgium, MTS Denmark and MTS Finland are all Multilateral Trading Facilities operated by MTS Associated Markets S.A. under the supervision of the Financial Services and Markets Authority (FSMA) in Belgium. Please note that MTS Associated Markets S.A. is not a subsidiary of MTS S.p.A. and it does not belong to the same group of companies as MTS SpA, EuroMTS Limited, MTS France S.a.s. and MTS Markets International Inc.

MTS Repo: the Repo segment of MTS Italy, a regulated market operated by MTS S.p.A. under the supervision of the Italian Ministry of Treasury, Bank of Italy and Consob.

MTS Depo: a multilateral deposit exchange system for the electronic trading of unsecured cash deposits operated by MTS S.p.A. under the supervision of Bank of Italy.

BondVision: BondVision identifies all the markets outlined in this paragraph. BondVision Europe MTF is a Multilateral Trading Facility operated by MTS S.p.A. under the supervision of Consob. BondVision UK is a Multilateral Trading Facility operated by EuroMTS under the supervision of the Financial Conduct Authority (FCA) in the United Kingdom. BondVision US is a trading venue operated by Euronext Market Services LLC, which is a member firm of the Financial Industry Regulatory Authority, Inc. (FINRA).

BondVision Europe and BondVision UK support Cash and Repo Trading.

CMF Cash: CMF Cash is the MTS technology platform that supports the MTS Cash Markets.

BV BondVision: BV Bondvision is the MTS technology platform that supports the BondVision markets.

MMF: MMF is the MTS technology platform that supports the MTS Repo market, MTS Depo Market and the BondVision Repo segment.

MTS Swaps: identifies all the markets outlined in the paragraphs below.

MTS WeMatch Interdealer Swaps EU MTF is a Multilateral Trading Facility operated by MTS SpA under the supervision of CONSOB in Italy.

MTS WeMatch Interdealer Swaps UK MTF is a Multilateral Trading Facility operated by EuroMTS Limited under the supervision of the Financial Conduct Authority in the United Kingdom.

Rates: MTS enables market participants to trade European Government Bonds and US Treasuries in Europe and in US in the electronic wholesale markets. MTS provides direct access to Rates instruments in (i) the interdealer market via the relevant European domestic government bond markets, the so called MTS Cash (please refer to the definition above), and (ii) in the dealer-to-client market, via MTS BondVision (please refer to definition above).

Credit: MTS enables market participants to trade a range of corporate bond instruments in wholesale electronic markets. Credit instruments are available (i) in the dealer-to-client market via BondVision (please refer to the definition above).

Money Markets: MTS enables market participants to trade a range of money market products in wholesale electronic markets across the Eurozone. Money Markets instruments including short maturity Bonds, Repo contracts and Deposits are available on the CMF, MMF and BondVision platforms (please refer to the definitions above).
