

€GC Plus on MTS

Centrally cleared tri-party repo secured financing

MTS Repo, our leading electronic European repo platform, supports trading of €GC Plus, a tri-party repo product initially developed by Banque de France in collaboration with LCHClearnet and Euroclear.

Why trade €GC Plus on MTS Repo?

Trading €GC Plus gives you access to secured euro cash funding with standardised baskets of collateral, and the confidence of trading through LCHClearnet, the largest clearing house for fixed income and repo in Europe, and Euroclear, the largest collateral house in Europe.

The MTS Repo platform is a professional e-trading venue for real-time eurozone repo trading, pricing and liquidity, uniting market participants across Europe. The depth of counterparties and range of instruments combined with pricing transparency has made it a benchmark electronic trading platform for the European repo market.

Benefit from:

- Secured euro cash funding with standardised baskets of collateral
- Anonymous trading with novation and netting by LCHClearnet SA, offering balance sheet relief and lower regulatory capital cost
- Risk diversification for existing cleared GC products
- Access to the Eurosystem for credit operations, re-using received collateral
- Access to a large counterparty base on MTS thanks to a fully interoperable collateral system between Euroclear Bank and Euroclear France / ESES
- DVP settlement along the full chain without the need to pre-fund to roll-over and settle repos
- Full re-use possible in triparty collateral management
